

LEARNER PROGRESS BAR

The Learner Progress Bar Add-On lets EasyCampus administrators create a Progress Bar block which learners can use to monitor their progress in an EasyCampus course.

Steps

1. Add the Progress Bar block
2. Set up the block
3. Test as a student

Activity/Resource Types

- Assignment submissions
- Forum postings
- Quiz attempts
- Choice answers
- Feedback survey responses
- Resources, specifically...
 - Text and HTML pages viewed, and
 - Links to files or webpages clicked
