QUESTIONNAIRE

Questionnaire allows course creators to elicit feedback and garner information using a number of methods. You can create your own questions and insert the finished survey in your course as a learning object. Responses can be viewed on the screen either as an average group or by individual response. You can receive notification that a questionnaire has been submitted by email.

Steps

- 1. Add the Questionnaire
- 2. Set Up the Questionnaire
- 3. Add Questions
- 4. Add to Course
- 5. View Responses

Question Types

- Checkbox
- Date
- Dropdown box
